

INVITATION PRICING

Below is our pricing for 2009-2010 wedding season. Please note that these prices are based on a basic invitation. Specialty papers, printing techniques and embellishments will increase the cost and will require a customized estimate. This pricing is to be used as a guideline only.

inkwell INVITATIONS

Our Inkwell line is a collection of semi-custom, ready-made invitations, perfect for the bride that wants a unique invitation that will set the tone of her wedding, but doesn't want to pay for custom invitations.

All invitations are flat printed on a smooth, 110lb thick cardstock. Each design is customizable by color. With over 60 color options to choose from, you will be sure to find the perfect match. Each invitation package includes the invitation, reception and response cards, and both the mailing envelope and response envelope.

All of our envelopes are offered with the response address printed on both the back flap and on the response envelope, incorporating with it an element of your design. Ensuring that you have a cohesive look throughout your invitation suite and the added detailing that sets your invitations apart from the rest.
